Brief Description of Assignment	<p>Bangladesh Bridge Authority (BBA) manages large area of land located in different districts in Bangladesh. For the better management of land BBA intends to procure a WebGIS based Land Information Management System. This system should have the following features, but not limited to:</p> <p>i) Different modules containing detail information about land (eg. district name, upazila name, mouza name, JL no., sheet no., khatian no., & plot no., category of land, status of usage and other vital information). The modules should be able to display information categorically and should have various search options including graphical presentations like maps or charts;</p> <p>ii) The system should have WebGIS based maps of all the lands located in different districts in Bangladesh. The maps should be interactive showing various information as required by the management;</p> <p>iii) The system should have a lease module showing the lease status of land, income, expenditure and any other vital information;</p> <p>iv) The system should also include a Case module containing various information of land related cases;</p> <p>v) All the modules should be able to generate required statements and reports. These reports should be printable and downloadable in .pdf, .doc, .xls etc. format as required;</p> <p>vi) The Tenderer should prepare GIS based maps and make necessary data entry in the system;</p> <p>vii) The interested Consultant should provide one year maintenance, service and hands on training to the administrators and users as required by BBA;</p> <p>viii) The system should be built on open source platform with scopes to scalability. Should have scope to include additional modules/maps/designs as required by BBA.</p> <p>ix) The system should be built to suit the purpose of BBA and its copyright should remain with BBA.</p>

Experience, Resource and Delivery Capacity Required	<p>The Consulting Firm have to fulfill the following criteria with supporting documents:</p> <p>i) Company Profile: background of the firm with general and overall experience including company's brochure;</p> <p>ii) Firm's name should indicate the form of association (joint venture or sub-consultancy). In case of a joint venture the name of the partner in charge and address must be mentioned in the document. A copy of registration certificate with relevant professional body (ies) with proof of latest/updated renewal;</p> <p>iii) Summary of permanent professional employees with key qualifications and other available resources;</p> <p>iv) Certificate of Experience of at least 7 (seven) years in software development/ using following platforms and tools but not limited to: Linux/Windows, Java, JavaScript, PHP, CSS, MYSQL, Python, Apache, Nginx, ArcGIS, QGIS, MapServer etc. OR in GIS mapping;</p> <p>v) Company's legal affiliation i.e. Incorporation Certificate, Trade License, VAT Registration Certificate, Income Tax Certificate, Joint Venture Agreement (where applicable);</p> <p>vi) At lease 3 (three) years of experience in developing and maintenance of similar type of software/GIS mapping (provide experience certificate);</p> <p>vii) Must have a working fund or credit line in any schedule bank of Tk 25 (twenty five) lac.</p>
Other Details & Documents	<p>The Consulting Firm must prove that they have solid technical background and operational strength to develop above mentioned system. The Consulting Firm must also have adequate technical ability, financial & human resources. The Tenderer must submit the following documents with the EOI:</p> <ol style="list-style-type: none"> 1. Certificate showing availability of working capital/credit line of the Tk 25 (twenty five) lac taka. 2. Bank solvency certificate. 3. Membership Certificate of BASIS. 4. Latest Audited Financial Statement - income statement, balance sheet showing its financial stability, liquidity etc. 5. Experience Certificate(s) working with Govt./Semi Govt./Autonomous body. 6. ISO Certification for quality. 7. EOI should be done in closed envelop bearing the name and address of the applicant, EOI No. & Date and addressing to the EOI issuing Authority in 3 (three) copies: 01 (one) marked as "ORIGINAL" and other as COPY."
